

FOOD SAFETY & SANITATION INSPECTION

Location: Store #5102 -- Eden Prairie, MN

Inspector: Marcus Rivera, Certified Food Safety Inspector

Date: July 22, 2026

Result: PASS

FINDINGS

Finding 1 -- [Minor]

Deli slicer #3 blade guard has minor chip on edge. Does not contact food surface but should be replaced at next maintenance cycle.

Finding 2 -- [Minor]

Floor drain in meat processing room slow to clear. Cleared with enzyme treatment during inspection. Schedule preventive drain service.

Finding 3 -- [Observation]

Excellent pest control documentation. Quarterly Terminix reports filed and current through Q2 FY26.

Finding 4 -- [Observation]

All cold-hold units within spec. Lowest reading 33F (frozen), highest 39F (dairy reach-in).
